Fake Faculty in Private Technical Colleges
Gutha Shri Sukender Reddy

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether the faculty system is rampant in the private technical colleges;

(b) if so, whether the Government is considering of making it mandatory to collect the PAN and Aadhaar details of the faculty to curtail fake faculty;

(c) if so, the details thereof; and

(d) the total number of colleges that have been identified with fake faculty across the country and the action initiated against those colleges by All India Council for Technical Education?

Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT

(SMT. SMRITI ZUBIN IRANI)

(a) (b) & (c): In some cases, duplication of names of faculty in the database of some of the technical institutions have been found. All India Council for Technical Education (AICTE) initiated action for updating the faculty details of all the technical institutions alongwith their PAN and AADHAR Card on its web portal to avoid duplication of faculty. About 33.85% of the faculty have submitted their AADHAR Card details. The percentage of faculty with PAN Card details uploaded on AICTE website is 73.91%. Efforts are being made to obtain data of every faculty.

(d): State-wise details of colleges that have been identified with duplicate faculty across the country are at Annexure. In case, an institute fails to adhere to norms laid down for "Faculty Requirements and Cadre Ratio", an appropriate action is initiated as prescribed in the Approval Process Handbook, which could include withdrawal of approval.
